If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Labor Day was not generally observed in this city.

The will of Mrs. Fannie D. Markland, deceased, was admitted to probate.

Charles R. West, a prominent business man, dropped dead at Winchester Saturday.

There's room for a lot more names to the Bechtel Fund, although several were added yesterday.

RAINS BROS.

Mr. James Finerty will go on the road representing a Cincinnati house in Kentucky and West Virginia. He expects to start in a few weeks.

Council adjourned last night and visited Beechwood Park in a body, the drawing card being the production of Mayor Stallcup's picture in fire.

The game of baseball yesterday between Maysville and Cincinnati colored teams resulted in favor of the home club by a score of 12 to 5. Ike McAllister made a home run.

If you want a "diamond" call and let me show you how cheap I can sell you a fine stone. We bought our "diamonds" before the advance, hence you can see understand why we can sell you cheaper than others.

P. J. MURPHY, the Jeweler.

The suit of Auditor's Agent John J. O'Donnell v. Adams Express Co. was decided in the County Court yesterday by Judge Newell in favor of the Express Company. The case will be appealed to the Circuit Court, and from there will probably go to the Court of Appeals, before the matter is finally determined.

The Fireworks at Beechwood last evening were all that was promised—and more. The set pieces were novel and interesting, while the bursting bombs filled the air with showers of many-colored fire, producing an effect truly grand. It is estimated that fully 2,000 persons witnessed the exhibition, most of them within the beautiful Park.

MISS MARY ELLEN HOLMES.

Mary Ellen Holmes, one of Mason county's best known women, passed away at her home at Washington this morning.

She was about 70 years of age and was closely related to many prominent families.

Captain James Cromwell, for years a leading hotel man of Cincinnati, was a near relative.

The funeral will take place from her late home tomorrow afternoon with services by the Rev. George Froh.

Interment in Washington Cemetery.

There were some bargains—and some that were not. One chap paid 95 cents for two cakes of soap that would have been dear at 3 cents, while another got a \$10 piece of machinery for 40 cents—only nobody seems to know what the thing was built for.

### STOVE EXPLODED

### And Lady Had Narrow Escape From Serious Injury

Mrs. Douglas McDowell had a narrow escape

Saturday morning when her gasoline stove exploded. Had it not been for the presence of mind and timely action of her husband, who fortunately was at home, picking up the blazing stove and throwing it out of a window, there is no telling how serious matters might have been.

As it is no one was burned and the damage very small, except to the stove, which is a total wreck.

WHAT a capital stroke it would be for the striking book and job printers of Chicago to "Unionize" all the "scabs" who have taken their places. It would make a splendid addition to the hundreds of "blacksmiths" who already wear the Union Label.

SPEAKING of Envoy WITTE's claim that in the peace negotiations Russian diplomacy won a "victory," The Courier-Journal says—

"So let the world concede it. Let it go down in history as a victory for Russian diplomacy. Knowing herself to be beaten on the field Russia deserves all the credit that is to be attached to a proceeding whereby she raises up an issue under the shadow of which she may accept defeat with 'victory' on her lips. Diplomatic victories are about the only victories that fall to Russia. She would have been in Manchuria yet if she could have fought that issue with her diplomats instead of her soldiers and sailors. Today she has a diplomatic victory, while Japan has all she failed to secure by diplomacy. Russia has the victory of refusing to agree to pay the expenses of her drabbing, while Japan has pay in territory; she has Port Arthur and Dalny; she has supremacy in Manchuria, supremacy in Korea, supremacy on the Asian seas. More than that, she has the prestige of humbling a Power before which the world had stood in dread. She has the prestige of establishing herself as one of the first of the Nations that are to dominate the earth. She has the prestige of gloriously bulwarking her imperiled National existence. She has the prestige of military and naval genius, military and naval prowess, endurance, courage and patriotism second to no other people. She has the prestige of wise, shrewd and far-seeing statesmanship, and, not the least in importance, she has the prestige of a financial credit as sound as gold. In every one of these respects Japan has gained and Russia has lost."

### Mothers Are Helped THEIR HEALTH RESTORED

Happiness of Thousands of Homes Due to Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's Advice.

A devoted mother seems to listen to every call of duty excepting the supreme one that tells her to guard her health, and before she realizes it some derangement of the female organs has manifested itself, and nervousness and irritability take the place of happiness and amiability.

Tired, nervous and irritable, the mother is unfit to care for her children, and her condition ruins the child's disposition and reacts upon herself. The mother should not be blamed, as she no doubt is suffering with backache, headache, bearing-down pains or displacement, making life a burden.

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for this condition. It strengthens the female organs and permanently cures all displacements and irregularities.

Such testimony as the following should convince women of its value:

Dear Mrs. Pinkham:

"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound has done me. I suffered for eight years with ovarian troubles. I was nervous, tired and irritable, and it did not seem as though I could stand it any longer, as I had five children to care for. Lydia E. Pinkham's Vegetable Compound was recommended and it has entirely cured me. I cannot thank you enough for your letter of advice and for what Lydia E. Pinkham's Vegetable Compound has done for me—Mrs. Ph. Hoffman, 100 Hinman Street, Brooklyn, N. Y."

THE Louisville Times very truly remarks that about 400,000 men have died for the glory of the Czar, and yet the Czar has come out of the war with very little glory.

THE Editor of The Bourbon News has not only created a sensation, but has done an actual public service by his timely and pointed re-

marks on "Criminal Gossips." These creatures

"Criminal Gossip." are not confined to any town or county. They

seem to have a free hand everywhere. No character or position is secure

from their vile and cowardly assaults. Neither age nor sex enjoys any immunity. Who are these offenders? Almost invariably they are

the embittered and resentful victims of "ill-luck;" the conscious "failures" of life. To "get even" with the world they must show that

only the indecent, the vicious, the incapable and the beastly hold the passport to success.

"Failure" is written all over the record of their own lives—and, often enough, something very

much worse. Their only resource is to assail the man or the woman that succeeds; and especially if that success is achieved by honest arts.

The "criminal gossip" proclaims his own in-

competency by his attacks on the children of

success. He carries no more weight in a com-

munity than a discharged servant or an utterly discredited "beat."

I have sold it continuously for sixteen years and have never made a change. My competitors are changing every year, which is proof that they are not satisfied with the flour they sell. The manufacturer of this flour writes me under date of August 3d as follows: "If you were pleased with Perfection last year, you will be more than satisfied with it now. We thought we had good bread last season, but our wheat this season is the finest we have had for years." For a limited time I am going to sell this FINE FLOUR at the extremely low price of

## THE STATE CONVENTION

**Five Hundred Delegates Expected at the Meeting of Christian Church**

**Basement of Edifice Being Converted Into An Attractive Dining-Hall**

The annual State Convention of the Christian Church will meet in Maysville September 25th to 28th and the local congregation is quite busy with active preparation for this big event. The attendance promises to be very large, running up to several hundred. The pick and flower of the brotherhood will come and the gathering will in some respects be a notable one. This denomination is very strong in Kentucky and the personnel of its membership ranks as favorable as that of any other in the state. Its pioneer Preachers were remarkable men of much force, learning and character, who left an indelible impress upon the times in which they lived, and the light which they left behind them still shines upon the paths of men as brightly as the sun in the old Kentucky home.

The singing will be conducted by a professional leader, assisted by a large chorus, and it will be worth one's while to attend and enjoy it. There will be anthems and solos and congregational songs and special music, that will fill the heart and inspire the soul.

The sessions will be both day and night and freely open to all who wish to attend. The convention will be largely missionary in character and will therefore interest all religious persons. This will prove a splendid opportunity of seeing and hearing many godly men and women of state and National prominence. Some of the most gifted pulpit orators in the Christian Church are down on the program and their coming is assured.

To find homes for all of the delegates is a big task, but Kentucky hospitality may always be counted upon to find the way. All of the local denominations in the city have generously signified their willingness to assist in providing homes for the delegates, and some public spirited citizens of no special Church affiliation will assist in entertaining the visitors. It is conservatively estimated that about five hundred delegates will want homes, and a special committee is giving this matter methodical attention.

It has been planned to furnish dinner to delegates and visitors during the Convention in the basement of the Church, which is now being arranged for this purpose and which when completed will make a fine dining-room. About three hundred persons can eat at one time and the service will be prompt and satisfactory. This basement dining-hall will be handsomely decorated and will prove one of the most attractive features of the Convention.

The Mayslick Christian Church has asked and been granted the privilege of feeding the Convention the first day of its session. This will be known as "Mayslick Day," and they will have exclusive charge of the dining-room basement. It goes without saying that "there is a great day coming" and if you miss "Mayslick Day" you will never regret it but once and that will be always.

Mr. Charles H. Himes, aged 26, and Miss Irene B. Irwin, aged 24, both of Lewis county, were married yesterday in the County Clerk's office, Judge C. D. Newell officiating.

According to reports received at Berlin there is a steady increase in the number of cases of cholera and a high percentage of mortality, the records showing fifty-one cases and nineteen deaths. The German Imperial Health Officer thinks the danger of the migration of the disease to the United States is remote.

## SOME BIG FISH

**Jo. Kenney's Daddy-in-Law's Catch in Way Off California**

A California paper tells of a monster fish caught by Mr. L. G. Murphy of Converse, Ind., father-in-law of Mr. Jo. A. Kenney formerly of this city. Here's the story:

"About a year ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my housework. If I put my hands in water, I was in agony for hours; and if I tried to cook over the stove, the heat caused intense pain. I consulted a doctor, but his prescriptions were utterly useless. I gave him up and tried another, but without the least satisfaction. About six weeks ago I got my first relief when I purchased Cuticura Soap and Ointment. After using them for a week, I found to my great delight that my hands were beginning to feel much better, the deep cracks began to heal up and stop running, and to-day my hands are entirely well, the one cake of Cuticura Soap and one box of Cuticura Ointment being all that I used. (Signed) Mrs. Minnie Drew, 18 Dana St., Roxbury Mass."

"With Mr. Murphy were Ulric J. Marchand, Gilmour Sharp and George Michaelis, and when Mr. Marchand pulled in a monstrous big bass which afterward was found to weigh 300 pounds, the party thought themselves in great luck, but concluded to make another try, which resulted in the biggest catch yet. The record was held by T. Perkins of Los Angeles, who on the 3d inst. took a fish weighing 428 pounds. Mr. Murphy was but forty-three minutes in landing the monster."

**O**f course no mother would use sticky discoloring yellow soap in washing dainty baby clothes! To have them always clean and sweet, use EASY TASK, the pure, white soap made from borax, naphtha and cocoanut oil. 5c at all grocers'.

## HANDS CRACKED AND PEELED

**Suffered for One Year—Water Caused Agony, Heat Intense Pain—Grew Worse Under Doctors—Could Not Do Any Housework.**

## ANOTHER WONDERFUL CURE BY CUTICURA

"About a year ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my housework. If I put my hands in water, I was in agony for hours; and if I tried to cook over the stove, the heat caused intense pain. I consulted a doctor, but his prescriptions were utterly useless. I gave him up and tried another, but without the least satisfaction. About six weeks ago I got my first relief when I purchased Cuticura Soap and Ointment. (Signed) Mrs. Minnie Drew, 18 Dana St., Roxbury Mass."

## ONE NIGHT TREATMENT For Sore Hands and Feet with Cuticura

Soak the hands or feet on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, the great skin cure. Wear on the hands during the night old, loose gloves, or bandage the feet lightly in old, soft cotton or linen.

Fishing with a tiny mirror attached to the line near the bait, so that the fish will hasten to snatch the morsel before its supposed rival can do so, is a device used by some French fishermen.

With the exception of a single portion of the text the draft of the Russo-Japanese Treaty of Peace was completed Saturday at Portsmouth. It is possible the treaty may be signed today. President Roosevelt is arranging to entertain the Envoys at luncheon at Oyster Bay prior to their departure for home. After the treaty is signed the President will issue a formal statement in regard to his connection with the negotiations.

### THE BARLOW MINSTRELS.

The above company under the personal management of J. A. Coburn, which will appear at Washington Opera-house tonight, is well known to the theater-goers of Maysville. This sea-

son something new and novel is presented in the way of a first part offering. The scene depicts life aboard a modern man-of-war, showing the turrent and its monster guns, the rapid fire rifles and their carriages, the glaring red-mouthed funnels, the fighting top high in air and in fact everything practical as used on an up-to-date naval fighting machine. The costumes of the singers are exact representations of those worn by the highest officers of Uncle Sam's Navy, including the Admiral's regalia adorning the interlocutor or middleman.

### ACKNOWLEDGE IT.

Maysville Has to Bow to the Inevitable

Scores of Citizens Prove It.

After the reader has read the public statement of this representative citizen of Maysville given below, he must fairly, squarely and honestly come to this conclusion: A remedy which cured years ago, which has kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:

M. C. Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:

"Doan's Kidney Pills positively cured me of kidney trouble and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills I procured them at J. Jas. Wood & Son's Drugstore and I noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some five years ago, and I have had no return of it since. Anyone suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."
